## TAURUS

### Liquid Laundry Detergent

TAURUS is a high-quality environmentally friendly laundry liquid for industrial and domestic clothes-washing. TAURUS is safe for washing all cottons, coloureds, whites, synthetics, blends and machine washable woolens. It is perfumed with a pleasant floral fragrance and contains agents for softening hard water. TAURUS dissolves easily in water and may be applied neat to stubborn stains. Note: Always test new garments for colour-fastness. Follow clothing maker's instructions for woolens. TAURUS contains no added phosphates. The detergents in TAURUS are fully biodegradable.

#### Application:

Add an extra 1/4 to 1/2 cup in hard water regions. Industrial use: 1 L per 100 kg dry washing/ Stubborn Stains: Remove excess soilage, rinse then apply TAURUS neat. Rub in and place garment into the wash immediately. Water Temperature: Use COLD water for bleeding colours, pleated garment, blood, protein or chocolate stains. Use WARM water for nylons, polyesters, acrylics, permanent press and colourfast colours. Use HOT water for cottons, heavily soiled or oily clothes.

APPLICATION: 1 Cup = 250 mls

Machine	Light Load	Medium Load	Full Load
Twin tub	1/4 Cup	3/4 Cup	1 Cup
Top loader	3/4 Cup	1 Cup	1 1/2 Cup

**First Aid:** If poisoning occurs, contact a doctor or the Poison Information Centre (13 11 26). If swallowed, DO NOT induce vomiting. Give a glass of water. If skin contact occurs. Remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor.

**WARNING:** NOT TO BE TAKEN. KEEP OUT OF REACH OF CHILDREN. Read safety direction before opening/using. Refer to MSDS for more information.

**No other warranties are given in respect of the product or its fitness for any particular application and no warranties or conditions are to be implied.**
