ADVANTAGE OF FOAM

Contact time maximizes
chemistry's effectiveness

Visual marker for
equipment operator

Expansion rates reduce
water and chemical usage

Reduced labor costs

Portable Foam Unit

910

SPECIFICATIONS

10 gallon non-pressurized tank

25 feet of foam distance

20 feet of foam hose

6 inch fill cap makes filling easy

The 910 portable foamer offers an innovative new tank design that allows for easy storage and portability for industrial and institutional foam cleaning. The unit utilizes the same internal components as our existing portable foamers for ease of use and maintenance.
