

Unique Features of the Duplex 420

Thorough & effective cleaning

Twin counter rotating cylindrical brushes with 600,000 bristles moving at 650rpm provide exceptional cleaning power on many surfaces.

Effective forwards and backwards

Carefully balanced design ensures that the Duplex 420 is the only floor washer truly effective in forwards and backwards operation.

Adjustable machine height

With a simple flick of a switch the Duplex 420 adjusts its height to suit many different types of flooring from carpet to profiled hard floors.

Cleans to the very edge

The unique offset brush design and two way handle of the Duplex range allows cleaning to the wall in both directions.

Easy to Use - with only one hand

The Duplex 420 is designed for feather-light single handed operation. No heavy pushing or pulling, instead the machine effortlessly glides.

Most Versatile

4 brush choices to suit different flooring:

- BLACK** - Heavy Duty Scrubbing
- GREY** - Hard Floor & Short Carpet
- YELLOW** - Short/Medium Pile Carpet
- BROWN** - Horse Hair Brushing
